LIGHTNING

Strands Siberia Night Ranger LED Driving light

The Siberia Night Ranger LED delivers a driving experience that leaves no driver untouched, ideal for various driving conditions. The following kits are designed for a perfect match with the Go Rhino sport bar and the light bar from the Swedish manufacturer Qpax.

SLD809190KWKIT Set of 4 pcs 9" Yellow lens

SLD809190KWKIT Set of 5 pcs 9" Yellow lens

SLD809188KWKIT Set of 4 pcs 9" Clear lens

SLD809188KWKIT5 Set of 5 pcs 9" Clear lens

THE POWER OF THE LEDs EXPANDS THE FIELD OF VISION

Vision X Reverse light 30W

The VL-Series LED Light Duty is a complete kit featuring two lights and a backup light harness, facilitating easy and quick mounting on cars and vans. Offering exceptional light output, this functional design can be effortlessly adjusted with a single bolt bracket. Crafted from resilient composite materials, it is engineered to withstand harsh conditions, ensuring longevity that surpasses challenges like salt and other weather-related issues
VXOTW0503MREV

Vision X Led bar Xmitter

The number one choice for military and police worldwide. This model, adapted LED Bar for RAM 1500 DT, integrates directly with your vehicle. The Vision X Xmitter Prime Extreme is an exceptionally durable LED light bar featuring super-efficient 5W LEDs that produce powerful illumination. Prime Xtreme delivers the highest lumens per centimeter of light bar.
VXODOPX36RA19 Ram DT 1500 21" led bar

Vision X XPR-M Halo

The XPR-M Halo features high-efficiency 10W LEDs from the latest generation. Utilizing multi-optics technology, where the reflectors are successively angled outwards, it creates an even horizontal spread and a light image with both length and width. The LED bar also includes a Halo function, allowing you to illuminate the background. It comes with model-adapted brackets specially designed for the RAM 1500 DT.
VXODOPRH12MRA19 Ram DT 1500 24" led bar

VISION X XPL Halo Curved

Vision X XPL Halo Curved, a slim and curved LED ramp for discreet mounting on modern vehicles with softer lines. The XPL Halo Curved has a simple row of the same powerful 5 watt CREE diodes as the PX light bar, as well as a nicely glowing halo effect around the reflectors. It comes with model-adapted brackets specially designed for the RAM 1500 DT.
VXODOXPLHC31RA19 Ram DT 1500 40" led bar

STYLING

Go Rhino Sport Bar 2.0

Add style to your pickup truck with Go Rhino's Sport Bar 2.0. It's a universal fit sport bar available for full size pickup trucks. Does not fit RamBox. Lighting is purchased separately. See lightning category for examples.

AFE5070075R RAM TRX 6,2L

AFE Performance Air filter

With up to a 85% increase in flow over stock, this Pro 5R air filter features factory-oiled media for maximum performance and its washable so you can reuse it.

AFE3010071 RAM DS 1500 5,7L

SUSPENSION LIFT KIT

Rough Country lift kits

Transform your pickup into an absolute BEAST with Rough Country's Suspension Lift Kit. This all-inclusive kit comes with everything you need to give your truck an aggressive look and a formidable stance that complements the revamped design and upgraded look of this rugged vehicle.

RCR33231 6" lift RAM DS 1500 no Airride, **RCR34470** 5" lift RAM DT 1500 Airride, **RCR33470** 6" lift RAM DT 1500 no Airride

PROTECTION

Mopar Rubber Floor mats

Protect the car's interior with this model-specific kit of carpets from Mopar. Reinforced rubber increases the protection and life-span of the carpets and the interior of the car.

82215321AD Black front and rear RAM DT 1500

Mopar Mudguards

Protect your pickup from damage caused by gravel, salt, and road debris with a set of genuine OEM molded splash guards from Mopar. These splash guards are designed to accent your truck's exterior styling, and are molded to the contours of your Ram 1500 for a custom fit.

82215488AC

Front RAM DT 1500 with fender flares

82215489AD

Rear RAM DT 1500 with fender flares

STORAGE

Undercover Swingcase

Imagine accessing your gear by simply pulling a release lever - without reaching over or climbing into your truck bed. This convenient toolbox takes advantage of the unused space between your pickup's rear wheel wells and tailgate.

UNDSC302P RAM DT 1500 Passengerside (not rambox)

UNDSC302D RAM DT 1500 Driverside (not rambox)

UNDSC300P RAM DS 1500 Passengerside (not rambox)
